New Horses

Daisy is a young filly that was confiscated by Wyoming Livestock Board Enforcement. Another mare on the property was euthanized as she could no longer stand. *Daisy* is still very emaciated, but is improving each week in weight and energy. She has deformed hooves from neglect and we have taken the first step in correcting them with a trim. It will take many months until we even know if we can correct her feet. *Daisy* has a very sweet disposition and the kids have already been brushing her and giving her some much needed attention.

Adoptions

Lucy has been adopted! Amelia and her family from Cheyenne are perfect for Lucy. Amelia is in Pony Club and will be using her for eventing. They truly hit it off and we know they will be wonderful together. Thank you Amelia!

Evan and "Spit Fire"

Open Ranch

Congratulations Evan! He has been working very hard since early this summer to earn his status as an official Ranch Hand at RHR. He has done an excellent job and had his first ride in November.

Remember to check the enclosed calendar for Open Ranch times. We are continuing with Saturday mornings 10am - Noon. Please be sure to call Jenny at 272-9437 or Tracie at 250-0511 if you would like to attend. Space is limited to seats with seat belts so call if you need a ride! Also remember that we are heading into colder weather and to always bring along a coat, hat and gloves.

Upcoming Program

We will be starting another youth session in January. Weather may be challenging, but we are currently seeking the use of an indoor arena to use in case we encounter extreme weather. I will be contacting those who have expressed interest in signing up before Christmas. If you know of any other youth who would like to be on the list give Jenny a call at 272-9437. Also call if you have any questions! Thank you!
